Site Council Meeting Minutes for March 1, 2018 Meeting
Note: There was no meeting on April 5, 2018

Aaron Daniels motioned to approve minutes from the last meeting.
Seconded by Lisa McCauley.
Vote: Consensus
- **Dr. Stacy Oates arrived at 6:03**
- **Discussion Items:**
 - **Book Report Book Selection Committee-** Hiawatha is currently on the 5th grade reading list, but seems inappropriate for this grade level.
Hillary Hancock explained that the Book Hiawatha that is currently on the 5th grade reading list appears to be far below the reading level for that grade. She had also spoken to one 5th grade teacher that asked that this book be removed from the 5th grade list. The book was passed around for perusal. Aaron Daniels and Ben Levandoski stated that it would also be difficult to write a 5th grade book report on this book.

- **Action Items:**
 - Aaron Daniels motioned to remove this book from the 5th grade list.
Seconded by Dan Pease.
Vote:Consensus

- **Discussion Items:**
 - **Communications Committee-** what should this committee's role be looking forward. Committee will help communicate volunteer opportunities to families and help parents fulfill their monthly volunteering commitment.
Lisa McCauley stated that there is not any information available as to what the role of Communications Committee is to entail. She would like to work as a liaison between ATA and parents to facilitate parent volunteering. She would like to send a form to all families at the start of the year asking for their volunteer preferences so as to follow-up with families and help them to complete their 3 hours per month.
Katherine Lusson recommended that this go to FSAC for input. Since we are so near to the end of the year, teachers will discuss their needs during team meetings and will provide their input. This will ensure that the volunteer opportunities fit the current needs of our ATA teachers.

 - April Gould asked what the process is for curriculum review. It was discussed that if there is not a form already in existence, one should be created. (The form was later found). Mrs. Gould also asked about the whereabouts of the binder with all past curriculum review information. At this time the whereabouts of this binder is unknown. Mrs. Gould will contact Lisa Fink to try to find this binder.

- **Committee Updates: None**
