No advance notice is required to withdraw your child(ren) from the program.

## Daily Sign-In and Sign-Out

Only individuals listed on the emergency blue cards will be allowed to pick-up students from the Eagles' Nest. Authorized individuals listed on the child's emergency blue card will be required to sign-in the student each morning for before care and sign-out the student each afternoon in accordance with state requirements. In the event your child will be picked up by someone not listed on your emergency blue card, you must call the school and provide phone authorization. This phone-authorized person will be required to show photo identification before the release of a child.

The log-in sheets are audited by the state and are required to be filled in properly. If for any reason an error is present on your child's log-in record, a staff member is required to ask for you to correct the line item. Please assist us in keeping these records clear and precise by following these guidelines:

- Please allow the appropriate time at drop-off and pick-up to appropriately use the attendance Kiosk.
- Please instruct anyone picking up for you that this process is extremely important and to have identification ready.

Toileting accidents will be handled discretely and in a caring manner.

## Parking Lot and Campus Safety

Please follow all directional arrows in the parking lot and drive at slow, safe speeds to ensure the safety of our families and staff. All children are required to be brought into the facility by an adult. Children will be supervised by a qualified staff member at all times while attending Eagles' Nest.

## Fire Drill and Evacuation

Every month a fire drill will be conducted during the normal operating hours of Eagles' Nest. These drills will be posted on the Parent Information Board in the multi-purpose room. ## Health Policy

We care greatly for the well-being of our families and staff. For that reason, we want to keep the spread of illness and infection to a minimum. If your child has experienced any of the following in the past 24 hours, please keep him or her at home.

1. Fever of 100 or more
2. Vomiting
3. Persistent diarrhea
4. Flu symptoms
5. Severe cold symptoms (green mucus)
6. Conjunctivitis
7. Unexplained rash
8. Head lice or nits
9. Rapid or labored breathing
10. Other contagious illness or infection

Students are welcome to return once symptom free for 24 hours without the aid of medication. A slight cough and slight runny nose, as long as it is clear, are not reason enough to keep a child home. If your child becomes mildly ill while at Eagle's Nest, we will keep him or her comfortable and isolated from the rest of the students. You will be notified immediately to pick up your child. If you are not reachable, the emergency contacts listed on the blue card will be called and asked to pick-up your child in a timely manner. We ask that you inform the school of any contagious illnesses so we can post an alert on the Parent Information Board.

**Injury:** If your child is injured and needing anything beyond simple first aid treatment, a staff member will determine whether there is time to consult a parent by phone or pursue emergency services first. An incident report will be filled out and any first aid given by the school will be noted within 24 hours. When a child needs to be transported, parents will be notified to meet at the hospital and a staff member will accompany the child to the hospital. All emergency phone numbers are kept in a centrally located binder.

**Allergies:** Any child with an allergy is required to be posted on our Parent Information Board in each classroom/activity area with the necessary procedures if contact with the allergen occurs.

**Hazardous Materials:** All toxic and hazardous items will be kept out of the reach of children.

**Cleaning:** Tables and counters will be sanitized routinely throughout the day. Restroom cleanliness will be monitored frequently. Professional cleaning services will be utilized daily.

**Infection Control:** Children will be instructed to keep hands clean especially after toileting and in preparation for snacks and meals.
